# How will we support you?

Blue Haven Care work in partnership with the NDIS participant and their nominee, by providing information, advice and support for when you need to make decisions.

## WE CAN OFFER YOU:

Blue Haven Care will help you to develop the skills and confidence to take control of your NDIS plan.

### **+** VALUE FOR MONEY

We can help maximise your value for money that you receive from your services and supports attached to your NDIS plan.

### **+** CHOICE AND CONTROL

We understand that you genuinely want to exercise choice and control of the services and supports you receive. We can help tailor these services and supports to your current needs.

### **+** MANAGE & DIRECT SUPPORTS

Once you are receiving supports we can help you navigate the disability service system. We will then monitor your progress to ensure your goals are being achieved. We can also assist you in making changes and adjustments to your plan.
